National One Health Mission Conclave 2025

NOV 20th - 21st, 2025, Bharat Mandapam, New Delhi

INTER-SCHOOL COMPETITION

ABOUT THE NATIONAL ONE HEALTH MISSION

The **National One Health Mission (NOHM)** unites doctors, veterinarians, and environmental experts to protect people, animals, and the planet. Many illnesses, such as Rabies, Dengue, and Leptospirosis show how closely human, animal, and environmental health are linked.

The Mission promotes early detection, data sharing, and rapid outbreak response to strengthen India's preparedness for health challenges.

INTER-SCHOOL COMPETITION

Registration: Oct 28 – Nov 5, 2025

Conclave: Nov 20–21, 2025, Bharat Mandapam, New Delhi

Website: nohmconclave2025.icmr.org.in

Cash prizes and certificates for winners!

NATIONAL ONE HEALTH CONCLAVE (2025)

The **National One Health Mission Conclave 2025** will showcase India's achievements in the One Health approach. It brings together ministries, experts, and students to highlight innovations in health, sustainability, and the environment.

School Participation for National One Health Conclave

Students from all across the country, studying in Classes 9–12, can participate in fun, creative competitions that spread awareness about One Health and teamwork.

Main Goals

- ✓ Show how human, animal, and environmental health are connected
- ✓ Encourage early illness recognition and hygiene
- ✓ Promote creativity, awareness, and community participation

COMPETITION CATEGORIES

- Slogan Writing** – Max 20 words, judged for clarity and originality, individual participation
- Painting** – A3 size, any medium, judged for creativity, individual participation
- Short Video/Reel** – Up to 60 sec, judged for innovation, group participation
- Model Presentation** – 3D working models with short video, group participation

5 entries per event will be shortlisted across the country

PARTICIPATION & RECOGNITION

- ❖ Open to Classes 9–12 from recognized schools
- ❖ Up to 10 entries per theme per school
- ❖ Entries must be the original student's work
- ❖ Include student & teacher details and declaration
- ❖ Submit via portal: nohmconclave2025.icmr.org.in

Instructions regarding the format of the entries will be available on the website at the time of submission

Awards: Certificates & Cash Prizes

Individuals – ₹10,000 / ₹5,000 / ₹3,000

Groups – ₹25,000 / ₹15,000 / ₹10,000

The top five from each category will present at the NOHM Conclave, New Delhi

The event is expected to be graced by the Hon'ble Prime Minister of India.

National One Health Mission Conclave 2025

NOV 20th - 21st, 2025

INTER-SCHOOL COMPETITION

One-Health Themes

One Health Interrelationship - Human, Animal, and Environment

01

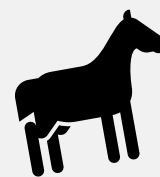

The health of people depends on animals and environment.

Example: When sewage contaminates water, both humans and animals fall sick.

02 Early recognition of illnesses

- Persistent Cough or breathing trouble may indicate Severe Acute Respiratory Illness (e.g., COVID-19, Influenza)
- Fever with changed mental status (e.g., confusion) with or without seizure may indicate Acute Encephalitis Syndrome (e.g., Japanese Encephalitis)
- Fever and body pain may indicate Acute Febrile Illness (e.g., Dengue, Typhoid)
- Diarrhea may indicate Acute Diarrheal disorders (e.g., Cholera, Typhoid)

Modes of Transmission 03

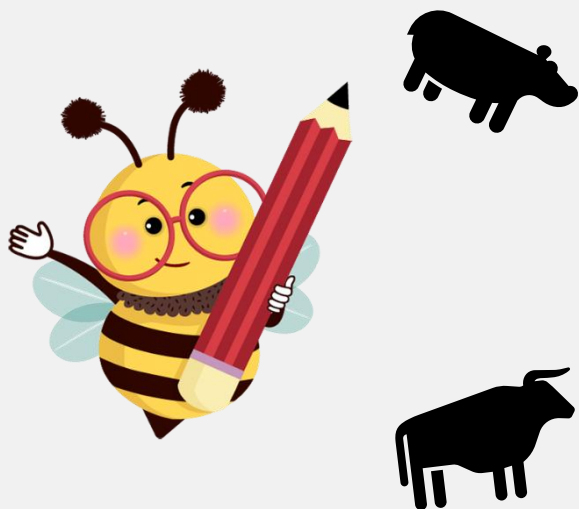

Examples:

Air: COVID-19 | **prevention:** Masks

Water: Typhoid | **prevention:** drink boiled water

Food: E coli food Poisoning | **prevention:** Avoid unhygienic foods

Soil: Tetanus | **prevention:** TT inj after a wound

04 Zoonotic Diseases - Diseases from animals to humans

- Rabies - Dogs, Bats
- Influenza - Birds, Pigs
- Malaria - Mosquito
- Leptospirosis - Rats
- Nipah - Bats, Pigs

Be a Part of India's One Health Mission!

Together we can protect people, animals, and environment.
Join us in building a healthy, sustainable future!
